GOLF PLAY SCHEDULE RULES & POLICIES

- A. **INTRODUCTION:** The Board of Directors has adopted these general rules to govern golf play at O.C.C. by members, immediate family and their guests. The Board has charged the golf committee with the responsibility of carrying out all golf rules and policies, which may be adopted by the Board from time to time.

The rights and privileges as to all members are set forth herein and shall be determined by the Board of Directors as administered by the golf committee.

Specifically, this policy lists the tee times available for the different classes of O.C.C. members and their immediate family as well as tee times for family guests and guests who are playing with a member or using a guest card.

The golf professional, assisted by his staff, is responsible for the day to day conduct of play on the course in compliance with policy, and for reporting to the golf committee all infractions of the rules. **Provided the spirit of these rules is followed,** the golf professional may make exceptions to any of the golf rules on a case by case basis in the exercise of his or her reasonable judgment. **Beyond occasional exceptions, the Golf Professional shall consult with the Golf Committee regarding granting such exceptions.**

[Changed allowance for golf professional to make exceptions by modifying the current provision, as follows:

The golf professional may make exceptions to the golf play rules (except those rules specifically restricted) on a case by case basis in the exercise of his/her reasonable judgment.

[Added last sentence above to provide a reporting element for consistent exceptions]

The golf committee will report any serious violation of the rules with recommended action to the Board of Directors, which has the power to suspend golf privileges of any member or guest who violates any of the rules or policies set forth herein.

B. GENERAL POLICIES

TEE TIME SCHEDULE:

Golf Shop **Upstairs** - 6:00 a.m. to 6:00 p.m. Tuesday through Friday
(except Monday 9:00 a.m. to 6:00 p.m.)

5:30 a.m. to 6:00 p.m. on Saturday & Sunday

Golf Shop **Downstairs** – 6:00 a.m. to Sunset every day except Monday
(9:00 a.m. to 6:00 p.m.)

Tee times commence at 7:00 a.m. (March 15th - October 15th : 6:30a.m. on
Sundays & Holidays)

No players at any time shall tee off prior to the posted tee time.

Players using electric carts must return the cart to the Golf Shop Downstairs **BEFORE SUNSET (on Mondays carts must be returned by 6PM)**. Players without electric carts may play as long as light permits, summer or winter.

- b. Tenth tee starting times are limited to weekend play. See the golf shop for details.

F. RESERVING STARTING TIMES

[Reordered Section from Section E to Section F]

1. Absent special grant from golf committee, advanced sign up for a tee time is limited based on membership category and is limited to a maximum of **fourteen (14)** days before play.

[Places in rules, allowance for advanced tee time requests]

[Updated from 7 days to reflect current policy]

2. Sign up for starting times may be by phone, online, or in person. When reserving weekend tee times, the tee sheet will be available when the Golf Shop opens at 5:30 a.m. on Saturday and Sunday mornings. Regular golf members may reserve **two tee times per day in person**.
3. When reserving weekend tee times, at 6:00 a.m. Regular golf members may reserve **two tees time per day**.

[Deleted reference to “per phone call or online” as unnecessary and due to leaving out in person option]

4. When populating more than one tee time on any one day, a minimum of a four and half hour interval is required between tee times.

[Added to ensure no player may have overlapping times]

5. If players in a group are not ready for play at their scheduled starting time, it will be canceled by the starter. Subject to level of play, the starter will try to arrange a later starting time.
6. Sign up during heavy play periods shall normally be for a foursome. If the starting time is for less than a foursome, the golf shop has the right to combine singles and twosomes into larger groups.

[Formerly stated “foursome” but “larger group” (i.e. could be threesomes or, though unlikely, fivesomes) language provides some flexibility]

7. If a no-show occurs more than once in two-month period without at least 24 hours advance notice, the group or individual may be prohibited from making any reservations for a period of one month either individually or collectively as the circumstances warrant.

[Current provision:

6. If a no-show occurs more than once in two-month period without at least 24 hours advance notice, the group would be prohibited from making any weekend reservations for a period of one month. Non-peak times would not apply to the policy.]

[Changed mandatory penalty to possible one]

[Also made change which allows for more flexibility for imposing individual or collective penalties]

[Removed “Non-peak times” reference as those limitations do not appear valid at this time]

G. PLAY ON THE COURSE

[Reordered Section from Section F to Section G]

1. All players shall replace divots, repair ball marks on greens, rake sand bunkers, and fill divot holes with sand on the par 3 tees, observe electric cart rules, and generally assist the club in maintaining the course in good condition.
2. Speed of Play: Players must keep pace with the group in front of them and allow groups to pass if falling behind. The low handicapper of the group shall have lead responsibility of keeping an appropriate pace.

[With recent modification approved by Board and using the spirit of said approval, modified for clarity. Provision as stated in Current Rules:

2. Speed of Play: The standard length of time to play a round of 18 holes at O.C.C. is 4 hours. To maintain this play time, each group of golfers must use its best efforts to keep pace with the group ahead of them, with the low handicapper of the group having lead responsibility.]

3. Slow play may be reported to the golf shop. The golf professional shall keep a log of the complaint (i.e. date, starting time, completion time, and players involved) **and those players may be subject to disciplinary procedures.**

[Modified to be less specific as to discipline. Old provision with change in red.]

3. Slow play may be reported to the golf shop. The golf professional shall keep a log of the complaint (i.e. date, starting time, completion time, and players involved). Continued bona fide complaints as to the same individuals or group of individuals shall be reported to the golf committee.]

[Highlighted text in red becomes subsection #4 (with modification), as follows:]

4. **Regarding golf play,** continued bona fide complaints as to the same individuals or group of individuals shall be reported to the golf committee.

[Added contextual element for newly separate provision]

5. Players who have lost one full hole to the group immediately preceding them, and if the group following is waiting, must wave the following group through.
6. Chronically slow players or foursomes may be assigned later starting times by the golf committee or golf shop.
7. A player shall hit when ready as soon as it is safe to do so even though such player is not away. The so called "your honor" rule has been waived in the interest of speed of play.
8. Singles and twosomes have no right on the golf course during heavy play periods.
9. **Proper golf attire is required at all times on the course, driving range, and practice facilities.** Golf shoes with metallic spikes are not permitted.

[Added language to explicitly require proper golf attire]

10. U.S.G.A. Rules of Golf shall apply except where preempted by LOCAL RULES.
11. To prevent slow play, players must each have their own golf clubs. A player without clubs may rent them from the Golf Shop.

12. The golf professional (or P.G.A. assistant in his absence) shall be the official interpreter of golf rules (U.S.G.A or Local) when questions arise.
13. No dogs are permitted on the golf course at any time.
14. **The Course Marshal (aka Players Assistant)**. The golf professional shall assign and supervise a qualified employee to perform the duties of course marshal on an as needed basis.
Responsibilities:
 - a. The marshal shall make regular inspections of golf play to assure the continuous movement of golf play pace is unimpeded by slow play. Where necessary, the marshal shall require slow players to permit faster players to play through.
 - b. The marshal shall also assist in the enforcement of rules pertaining to the use of golf carts, repair of ball marks on the greens, replacement of divots and raking of bunkers.
 - c. The marshal shall police the course for joggers, children and others from interfering with golf play or risking self-harm by exposure to the hazards of golf play.
