

**A. ESTABLISHMENT OF MEMBERS' AND SPOUSES' GOLF DIVISIONS**

There shall be a Members' Golf Division comprised of all golfing members and a Spouses' Golf Division comprised of all golfing spouses. All eligible spouses shall belong to a Ladies Spouse Golf Association (LSGA) or a Men's Spouse Golf Association (MSGA), both of which shall be administered with approval from the Golf Committee. These divisions and spouses golf associations (SGA) shall be governed by the following:

[Note: all spouses of members in listed categories are automatically assigned a GHIN regardless of any expressed interest in golfing.]

[Deleted contradictory provision that ALL member spouses with a handicap are automatically of the sga's. Those spouses are restricted from playing in those times based on current rules]

1. **Eligible** members of the Members' Golf Division can participate in any tournament or event designated by the Golf Committee as a Members' Golf Division tournament or event. Examples of Members' Tournaments are Member-Guest and Member-Member.
2. **Eligible** male members of the Member's Golf Division can participate in any tournament or event designated by the Golf Committee as a men's tournament or event, such as the Men's Club Championship, the Men's Senior Club Championship and Men's Monthly Ace. **Eligible** female members of the Members' Golf Division can participate in any tournament or event designated by the Golf Committee as a women's tournament or event, such as the Women's Club Championship, the Women's Senior Club Championship, and Women's Monthly Ace.
3. **If organized and recognized by the Golf Committee,** the LSGA and the MSGA shall each elect its own officers of governance. Each SGA shall also propose its own tournament and event schedules to the Golf Committee for approval. The LSGA and MSGA representatives may meet at will to discuss mutual issues and concerns and report to the Golf Committee. Both the LSGA and the MSGA may send liaisons to attend Golf Committee meetings and report back to the members.

[Added organized language to allow for a sga not yet organized]

4. Members of the LSGA and the MSGA can participate in any tournament or event designated by the Golf Committee as a LSGA or MSGA Tournament or event.
5. The LSGA and MSGA may invite **eligible** members of the Member's Golf Division to play in any LSGA or MSGA tournament or event.
6. Mixed events, such as the Battle of the Sexes and the Couples tournament, shall be considered Spouses' Golf Division events, as approved by the Golf Committee, and shall be open to all **eligible** members, **eligible** spouses, and significant others.

[Added "eligible" since not all members and spouses may play, e.g. Recreational members]

7. Working Spouses may be granted restricted tee times. Provided such spouses are working **or have worked within a reasonable time period**, each SGA may determine eligibility guidelines including a reasonable grandfathering period for formerly working spouses who regularly played in such times.

[if Board wanted to change, might require working spouses to work at least 20 or more hours a week and be regularly unable to play during early weekday times.]

6. Three starting times are permitted on Saturday morning, 10th tee, commencing at 7:00 a.m. for spouses who work, followed by Limited Regular golfing members. Regular golfing members may play during these times on a space-available basis only.

[Specific time are listed in the Golfing Privileges Section of the Golf Rules]

8. Members of the LSGA and MSGA may have times, hereinafter SGA times, restricted exclusively for their member use. Members and guests may be allowed to populate such times on a space available basis. While restricted, those times may lapse as provided in these rules.

[Specific time are listed in the Golfing Privileges Section of the Golf Rules]

9. Upon approval of the Golf Committee, eligible members of the Member's Golfing Division may elect to join their respective gender's SGA.

[This allows a path for members to opt to join a SGA]

[eligibility is not defined and may be set by SGA, Golf Comm, or Board]

7. Tee times from 7:33 to 10:24 a.m. on Tuesday mornings and from 7:33 to 9:25 a.m. on Friday mornings shall be reserved for spouse play. Regular members may be allowed to play during these times on a space-available basis, members may access these tee times four days in advance.

[Provision removed as it has been incorporated into Golfing Privileges section, though proposal changes four day lapse to three days]

9. Member restrictions expire 72- hours after the tee time becomes available. Members and spouses may access all tee times four days prior except spouses may not play Saturday from 7:00am until 8:52am and Sunday from 6:30am until 9:00am(summer tee times) or 7:00am until 9:30am (winter tee times); which times are specifically restricted to members only.

[Removed. Not currently enforced, deemed unworkable]
